

## 8. ACKNOWLEDGEMENTS

---

The authors would like to thank Edward Bailey, the project manager at Headland Archaeology, the client and developer, respectively the University of Edinburgh and Malcolm Fraser Architects, and John Lawson at the City of Edinburgh Council Archaeological Service. They would also like to

thank Gordon Cook for advice on recalibrating the radiocarbon dates.

The excavation team was led by Ross Murray with Laura Bailey, Andy Brown, Magnar Dalland, Kirsty Dingwall, Matthew Ginnever, Julie Lochrie, Alistair Robertson, Anthony Taylor, Richard Tuffin, Jurgen van Wessel and Donald Wilson.
