

9. ACKNOWLEDGEMENTS

Thanks go to all those involved in the project, especially the excavation team of Nick Johnstone, Alan Duffy, Jamie Humble, Hana Kdolska, John Bendicks, Mikel Kempinski, Jake Streatfeild-James, Kevin Paton and Anne Crone. The fieldwork was managed by Martin Cook. Particular thanks to Gleeds Management Services Ltd and to Places for People for funding this programme of works. The project was monitored by the City of Edinburgh Council Archaeology Service archaeologist, John

Lawson, on behalf of the City of Edinburgh Council. Anne Crone wishes to thank Dave Brown (Queens University Belfast), Dan Miles (Oxford Dendrochronology Lab), Coralie Mills (University of St Andrews) and Ian Tyers (Dendro UK) for help in the analysis of the New Waverley structural wood assemblage. The site archive will be deposited in the National Record of the Historic Environment of Scotland. The site finds will be reported to the King's and Lord Treasurer's Remembrancer for allocation to an appropriate museum.
