

#### 14. ACKNOWLEDGEMENTS

---

All members of the excavation and post-excavation teams are thanked for their efforts. Fieldwork was managed by Mary Peteranna and Cathy MacIver. Lindsey Stirling and Orlene McIlfatrick prepared the illustrations, while the post-excavation team at AOC Archaeology undertook finds analyses,

environmental reporting, and micromorphological analysis. Thanks are due to Gordon Cook of SUERC for the radiocarbon dating. Advice and comments were kindly provided by Cathy MacIver, Martin Cook, and Mike Roy. The project was overseen by Kirsty Cameron, archaeologist at the Highland Council Historic Environment Team, and was funded by Gordon and MacPhail.
