Thanks to the excavation team of Roderick Regan and Hilary McLauchlan (who also drew all the original site plans and sections), our technical adviser Spencer Ellis and our much appreciated volunteers Mary-Anne Buntin and Andy Buntin. Thanks to Anna Ritchie for her helpful comments on an early draft, and to our anonymous referees – their

comments and suggestions were very helpful and greatly improved our paper. Thanks to our illustration editor Marc Zubia-Pons (Headland Archaeology) and our copy editor Rachel Cartwright. Thanks to Emma Jenkins for phytolith analysis. Thanks also to Jackie Kemp and Andy Walker (Forestry and Land Scotland). Finally, thanks to Kate Bailey and the publications team at the Society of Antiquaries of Scotland.
